

GENEL TRANSPORT

# PROJECTS & HEAVY LIFT LOGISTICS

Our qualified and dedicated projects & heavy lift logistics team is ready to serve you with all aspects of tailored project transport.

**GENEL TRANSPORT**

## PROJECTS & HEAVY LIFT LOGISTICS

Through our worldwide network we offer delivery from any origin to any destination, including turnkey deliveries in Turkey and overseas. We offer individual methodology to each and every project with all aspects of project work. Our ability to plan and execute transports globally as well as handle project transport systems enables us to move heavy and/or out of gauge cargo from one point to another. And from multiple points to your turnkey job site.
