OCEAN TRANSPORT

Genel Transport offers container sea freight services at all Turkish Ports for export and import shipments from/to Turkey. With its professional network Genel Transport serves door to door logistics solutions to all over the world.

AIR TRANSPORT

Genel Transport serves as a major player in IATA's top 10 list with the license of DGCA's Regulated Agent. Genel Transport consolidates daily flight services plus on board courier services. Genel Transport has close relations with airlines and arrange charter planes in line with demand.

ROAD TRANSPORT

Genel Transport is specialized on LTL shipments and door-to-door deliveries including warehousing, distribution, inventory management services. With its 30+ years experience Genel Transport operates in Europe, Middle East and CIS countries.

COMBINED TRANSPORT

Genel Transport offers combined transport solutions with 45' HC PW containers which are dedicated to this service with FTL dimensions. We also move goods via Turkish Ports to neighboring countries with 'container+truck' model.
